HAIR GROWN ON MR. BRITTAIN'S BALD HEAD BY

INDIANS' MYSTERIOUS HAIR GROWER

As a time when I had become discouraged at trying various har betime, tening, specialists' treatments, etc., I came account in my travels, a Chernice Indian 'imedicine man' who had an elimic that he assumeded wealed grow my hair, although I had but little faith, I gave in a trial. From recent photo, although I had but little faith, I gave in a trial. From recent photo, any commonst a light four secon appeared. How YOU May Grow YOUR Hair

My head at the top and back was abscintely held. The scalp was shiny. An expert said that as he shought the hair roots were anilors, and there was no hope of my ever having a new hair growth. Yet new, at an apa ever fd. I have a literate prounts of soft, afrong, leatenes hair! No trains of baldness. The pictures shown here are from my photographs.

Indians' Secret of Hair Growth

My honest belief is that her rots rarely die even when the hear falls out through dandruff, fever, excessive drynesis or other disorders. I have been told by experts that often when hat falls out the rots become imbedded within the scale, covered by hard skim, as that they make the form of the form of the form of the falls which will grow when fertilized than form of the falls with the contain situation and haf belief which will grow when fertilized than the falls will be the form of the falls of the falls and her or making it helltle.
